One of Moses' excuses was that he was slow of speech and slow of tongue. But God replied, *Who has made man's mouth? Or who makes the mute, the deaf, the seeing or the blind? Have not I, the Lord?* (Exodus 4:11)

Moses, with his slowness of speech, was used by God to lead His people across the Red Sea and to the outskirts of the promised land. As God had uniquely created Moses in his mother's womb, so has He each of us. This does not mean, however, that God made us to be sinners and rebels against Him. This mark in our character is the result of the fall of Adam in the garden of Eden. We are all marred by sin, and sin entered the human race in the garden of Eden. These qualities are not at all flattering but condemning. You can read the descriptions of mankind's fallen nature in various places in the Scriptures. The Apostle Paul gives summary of our Adamic nature in Romans 3. But God has, in Christ Jesus, not only provided salvation from our sins, but new lives. In Christ Jesus the believer becomes a new creation, says God's word. The Bible declares, *Therefore if anyone is in Christ, he is a new creation; old things have passed away; behold all things have become new* (2 Corinthians 5:17).

Are you a new creation in Christ Jesus? You can become a new creature with new desires and holy motivations.
